## Flat 3 Film Review:

“THE MOST HONEST FORM OF FILMMAKING IS TO MAKE A FILM FOR YOURSELF.”

- Peter Jackson

“Home Alone” (1990) - A must-watch during the festive season, “Home Alone” is a hilarious and entertaining family comedy. Macaulay Culkin delivers a memorable performance as Kevin McCallister, an eight-year-old who is accidentally left behind by his family during Christmas vacation. The film provides plenty of laughter, creative traps, and heartwarming moments, making it a beloved favorite for viewers of all ages. This is my personal favourite!

“It's a Wonderful Life” (1946) - This classic film directed by Frank Capra is a heartwarming tale that captures the true essence of Christmas. Jimmy

Stewart gives a remarkable performance as George Bailey, a man who, with the help of an angel, learns the value of his life and the impact he has on others. This film is a timeless reminder of gratitude, love, and the importance of community.

Something that resonates a lot with the older generation and is a must see for all!

## Flat 3 Film Review:

"I will honor Christmas in my heart, and try to keep it all the year."  
— Charles Dickens

"Elf" (2003) - "Elf" is a delightful and whimsical comedy that injects the Christmas spirit into its viewers. Will Ferrell shines as Buddy, a human raised in the North Pole who embarks on a journey to New York City to find his biological father. Full of laugh-out-loud moments and genuine charm, this film spreads joy and reminds us of the importance of embracing our inner child during the holiday season.

"A Christmas Carol" (1984) - Based on Charles Dickens' beloved novella, this film adaptation brings the timeless tale of Ebenezer Scrooge to life. George C. Scott delivers a remarkable performance as the miserly Scrooge, who undergoes a transformative journey guided by the ghosts of Christmas past, present, and future. With its powerful message of redemption and the spirit of giving, this film captures the true meaning of Christmas

"The Polar Express" (2004) - This captivating animated film takes viewers on a magical adventure to the North Pole. Tom Hanks brings multiple characters to life through voice acting, including the conductor of a mysterious train that transports children to Santa's workshop.

"The Polar Express" is visually stunning and instills a sense of wonder and belief in the magic of Christmas, making it a perfect choice for the entire family.

Flat 3 Poem::

## Season of delight

In snowy silence, night unfolds,  
A tale of joy in stories told.  
Lights twinkle bright on tree and eave,  
A season's magic, hearts believe.

Gifts wrapped with care, a festive song,  
In cozy homes, where love belongs.  
Snowflakes dance, a wintry trance,  
A Christmas eve, a sweet romance.

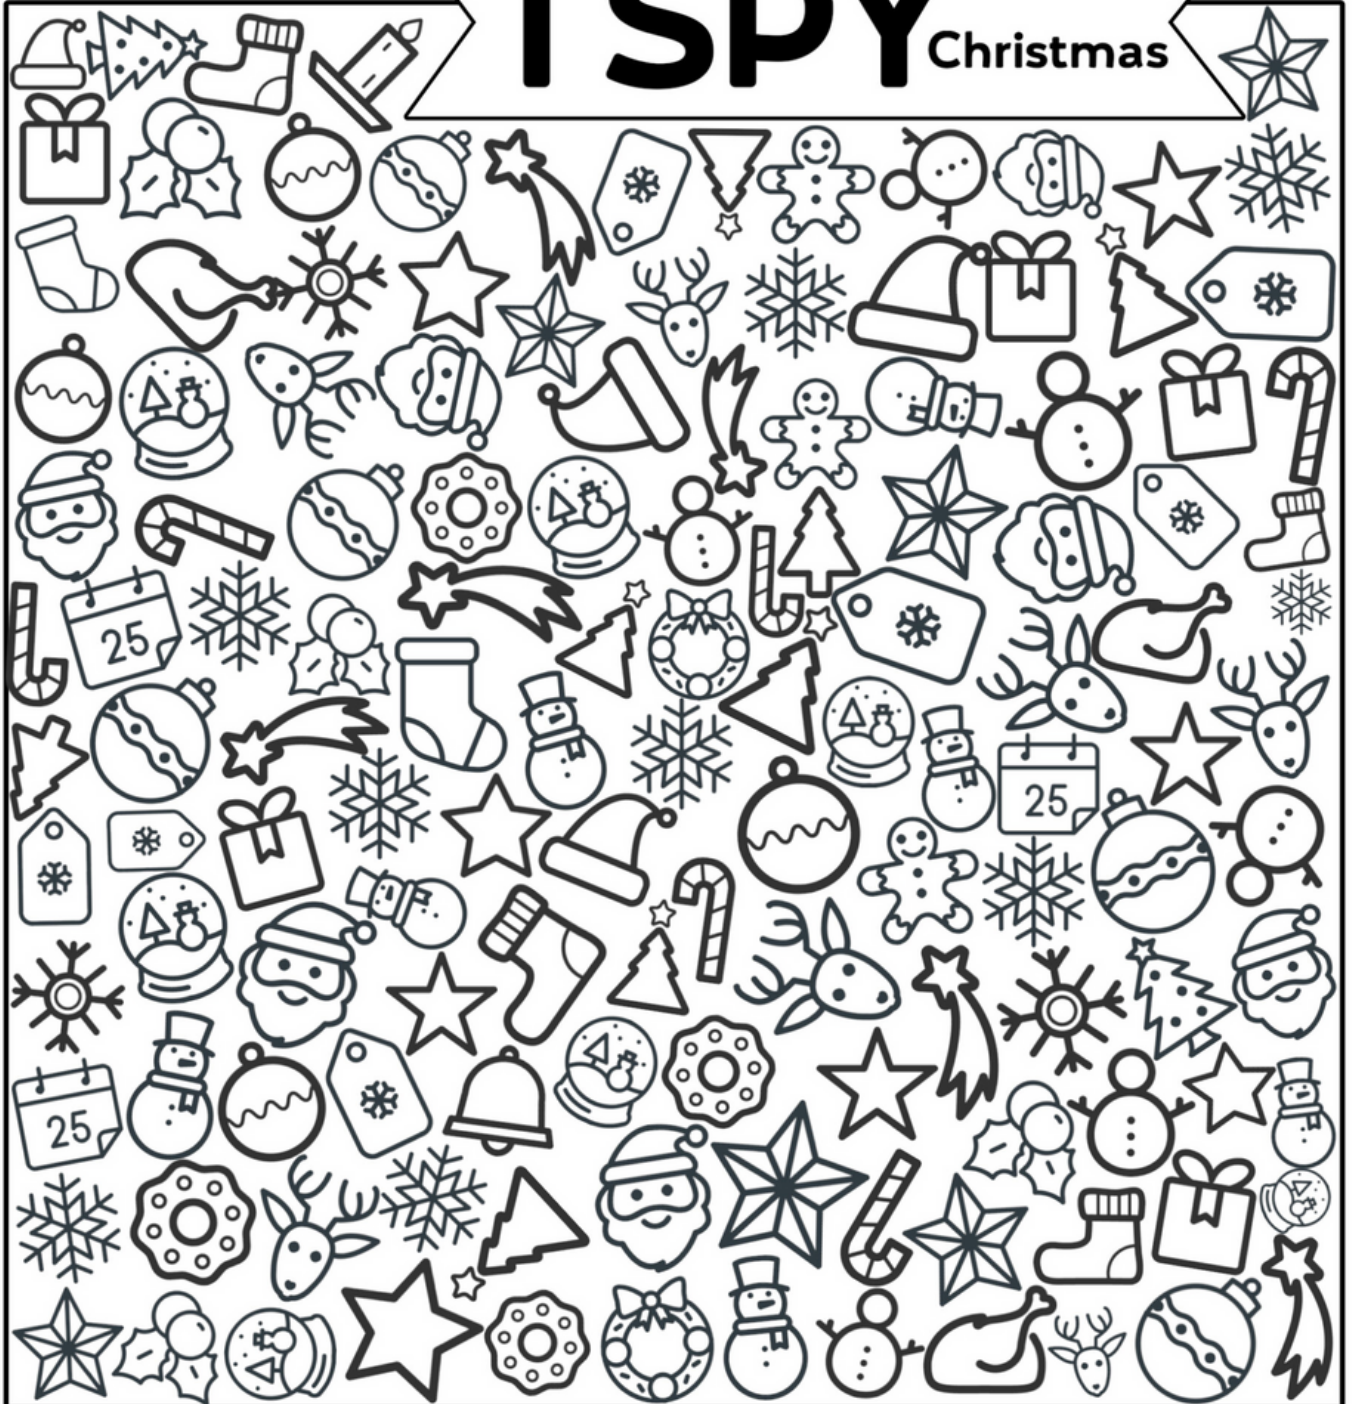

Through frosty windows, candles gleam,  
Reflecting dreams in silver stream.  
Laughter echoes, warm and near,  
Celebrating love and cheer.

In this season of delight,  
May peace and warmth your days ignite.  
A Christmas wish from me to you,  
A world of joy and skies of blue.
